

2015
SOUTH CAROLINA LEGISLATIVE MANUAL
CHARLES F. REID, EDITOR

The Cover

Taken May 19, 2007 at 8:47 p.m. Eastern Daylight Time, the cover photograph captures Venus, the three-day old crescent Moon, and the dome of the South Carolina State House in Columbia. The separation of the conjunction between Venus and the Moon is two degrees. The faint lunar details on the shaded side of the Moon are visible because of “Earthshine,” the sunlight reflected by planet Earth.
